Capturing Your Fleeting Moments

my fleeting moments

I wanted to be a mom for years. We waited. We planned. I feared. I hoped. And finally... *finally*... I labored. I grasped. I held. I embraced. I snuggled. I clung to those sweet moments.

Pregnancy ended, motherhood started, and the baby blur began. Those sweet moments passed so quickly, and the details of them remained foggy. I felt like I was missing it... the sweet way she would stretch her whole body after she nursed, or the way her face scrunched up when she cried, or the amazing twinkle in her eye when she would smile.

No matter how tired I was, or how busy life felt, I needed to capture my fleeting moments so that I would remember them forever. And so, my journey as a photographer began.

There is such great beauty in a child's smile, in the eyes of a laughing dad, a hug between a toddler and her mom, and in the kiss between a man and his bride. I love real emotions... the smiles and the laughter, and yes, even the toddler's tantrum. It's real. It's beautiful. It is your fleeting moment.

I love getting to know a family and being able to really capture them...their personality, expressions, relationships, interactions – just as they are in that moment. It is my privilege and joy to give that family an image that fully communicates that moment, so that they can remember it forever.

playdate picture parties

A Playdate Picture Party is a great way to hang out with your friends, and get a couple great shots of your kiddo with minimal expense.

You get to host a playdate with 4-6 other moms (or dads). I will photograph each child individually for 15-20 minutes. Within two weeks, all of the edited photos will be in an online gallery for review and ordering. There will be at least 4-5 photos of each child to choose from (in both color and b/w). Payment and pick-up will be coordinated with the host.

The cost for a playdate picture party is \$20 per child and includes print credit for one 8x10 per child. (The host gets two prints!)

the business side of things...

Scheduling

I schedule sessions on Saturday (anytime), or Sunday (afternoon or evening). During summer months when it is light out until late in the evening, I can do weekday late-afternoon or evening appointments as well. Please inquire for specific date availability.

Photoshoots can either be done at your home, or at a location of your choice. I generally service the greater Puget Sound area of Washington State. For extensive distances, a travel fee may apply.

Payment and Cancellations

All sessions are pre-paid via Google payments; I will send you an invoice as soon as we have a date picked. If you need to reschedule, your payment is put towards the next possible date that works for both of us.

Referral Bonus

If you refer a friend who books a session, you and your friend will both receive print credit for a complimentary 8x10.
